Irish Scones

with Butter and Jam

2 2/3 cups plain flour, extra for dusting
1 tsp salt
1 tsp bicarbonate of soda
1 tsp caster sugar
2 tbsp diced Kerrygold Salted Butter
1 cup buttermilk
1 large egg, beaten
Kerrygold butter curls and strawberry jam,
to serve

Preheat the oven to 425°. Sift the flour into a bowl with the salt and bicarbonate of soda. Stir in the sugar and then, using your fingertips, rub in the butter until the mixture resembles fine breadcrumbs. Make a well in the center and pour in the buttermilk and beaten egg. Using a tablespoon, gently and quickly stir the liquid into the flour. It should be soft but not sticky. Lightly flour the work surface. Turn the dough out onto it and pat into a circle about 1 inch thick. Cut into triangles with a sharp knife or stamp out 2 inch rounds with a cutter. Arrange the scones on a non-stick baking sheet and bake for 15 minutes until well risen and golden brown. Leave to cool for at least 10 minutes on a wire rack, then serve with the butter curls and jam.
